To Whom It May Concern:

It is with great pleasure that I recommend Mr. Jason Maupin of Elevate Industries as a "Motivational Speaker" for today's youth. Jason spoke to our 4th & 5th year students here in Mount Anville Secondary School and I can only echo what the students said about his talk: "We couldn't say anything negative about it."

Jason spoke from his heart; he spoke about real life issues! One student summed it up nicely when she said "I like the way he started off telling jokes, stories that were funny & made us laugh. His approach was perfect for the way he moved into real life issues and problems people our age face. He included, or maybe I should say he related, to everyone in the hall."

If you ever have the opportunity to welcome Jason Maupin into your school or youth community, do not hesitate in doing so. If I can be of any further help in convincing you of just how incredibly inspiring Jason is, please contact me at the number above, or the postal / e-mail address below.

Wish every good wish,
